ORDER

Before the Court are appellant's brief and October 30, 2018 "motion for extended page limits and briefing rules." By her motion, appellant seeks to exceed the page limit for a brief set by the appellate rules. *See* TEX. R. APP. P. 9.4(i)(2)(B). The brief, however, does not fully comply with the briefing requirements of appellate rule 38.1. *See id.* 38.1. Specifically, the statement of facts section does not "state concisely and without argument the facts pertinent to the issue or points presented" and is not "supported by record references." *See id.* 38.1(g). Further, the argument section does not "contain a clear and concise argument for the contentions made, with appropriate citations to authorities and the record." *See id.* 38.1(i). Accordingly, we

ORDER appellant to file an amended brief that complies with rule 38.1 no later than November 26, 2018. We **DENY** appellant's motion without prejudice to refiling.
